

Resource Guide to Environmental Studies
In the
Southern Maryland Studies Center

The College of Southern Maryland established the Southern Maryland Studies Center (SMSC) in 1976 in order to provide a central location for research on the historically important region of Southern Maryland. SMSC is located at the La Plata campus in the Library, room LR210.

This resource guide provides information on a variety of materials available to anyone interested in environmental studies. This is not a comprehensive list of materials, but rather a guide. Customers are encouraged to consult with SMSC staff about additional resources not listed. A list of web resources is also provided.

The books, manuscripts, and photographic collections listed in this guide can be found at the SMSC:

Contact Information:

Mailing Address: 8730 Mitchell Road
P.O. Box 910
La Plata, MD 20646-0910
Phone: 301-934-7626, ext. 7107
301-870-3008, ext.7107

BOOKS

The "Md" in the beginning of the call number indicates that the item is located in the Southern Maryland Studies Center. Books, magazines and other materials in the SMSC are non-circulating. Hours of operation are the same as the College Library and subject to changes in the College schedule of classes. During the semester the SMSC is open Monday-Thursday, 8:00am-10:00pm; Friday, 8:00am-4:00pm; Saturday, 9:00am-4:00pm; and Sunday, 12:00pm-4:00pm. Between semesters the SMSC is open Monday-Thursday, 8:30am-7:00pm; Friday, 8:30am-4:30pm; Saturday, 9:00am-4:00pm, and Sunday, noon to 4:00pm.

MANUSCRIPT COLLECTIONS

The following collections are located in the SMSC Archive and are available Monday-Friday, 1:00pm-4:00pm. Customers must fill out a registration form before using the collections.

Accokeek Foundation Papers (20th Century)

The records of the Accokeek Foundation date from 1945 to 1979. Included in them are the early records of the Piscataway Company, the Alice Ferguson Foundation, and the Moyaone Company.

The Accokeek Foundation records reflect the real estate and business activities of the earlier companies, the shift to educational and ecological studies in the Ferguson material and finally the planning, lobbying and organization necessary for the establishment of Piscataway Park and the National Colonial Farm

La Plata Centennial

The collection contains newspaper articles from the Times-Crescent, Historical & National Publicity Editions (4 editions) on the history, natural resources, business, agriculture and recreation in Southern Maryland.

Posey - Nanjemoy Creek (20th Century)

The collection consists of a 104 page manuscript titled, " Notes on the Natural and Cultural History of Nanjemoy Creek, Charles County, Maryland", written by Calvert R. Posey, Sr. and compiled by Meryl Lee Hall with support from the Charles County Heritage Commission in 1990.

ORAL HISTORIES

The following oral histories are located in the SMSC Archive and are available Monday-Friday, 1:00pm-4:00pm. Students, faculty, and staff can request that an interview be placed on reserve in the Library if they are unable to come when the Archive is open. Audiotapes cannot be checked out. Content guides are located in the SMSC in file cabinet drawer, number 15. Customers must fill out a registration form before listening to the interviews. Audio equipment will be provided.

Jensen, Belva L., Dr.

Date of Interview: November 19, 1979

The history of Charles County Community College (the College of Southern Maryland), and pollution abatement course development.

VERTICAL FILE HOLDINGS

The vertical files are located in the storage cabinets, drawers #1 through #11, to the right of the entrance to the Southern Maryland Studies Center. The files consist of newspaper clippings, brochures and pamphlets on a variety of topics pertaining to Southern Maryland. A listing of some topics pertaining to the environment of Southern Maryland is as follows:

- The Accokeek Foundation
- Agricultural Extension Work
- Agriculture and Agricultural Land Use
- Battle Creek Cypress Swamp
- The Bay Journal
- Calvert Cliffs
- Cedarville Natural Resources Management Area
- Coastal Zone Management
- Conservancy for Charles County, Inc.
- Douglas Point Nuclear Generating Site
- Environmental Protection Education Center
- Ferguson (Alice) Foundation
- Land Use
- Mallows Bay
- Maryland Environment
- Maryland Environmental Trust
- Maryland Sea Grant
- Mattawoman Sewage Treatment Plant
- Mattawoman Swamp
- Mines and Mineral Resources
- Moyaone Reserve
- Nature Conservancy
- Potomac River Fisheries Commission
- Southern Maryland Resource Conservation & Development Board

- Water – Resources/Pollution
- Accokeek Foundation News
- Chesapeake Bay Foundation

MICROFILM

Southern Maryland records on microfilm are housed in the black, five-drawer cabinet located at the end of the first range of books. Types of records include population census, agricultural census, wills, land records, court records, church records, marriage, and tax assessments. For more information on specific microfilm, please refer to the *Southern Maryland Studies Center Microfilm Guide*.

Newspapers in circulation in Southern Maryland are located in room LR210. For more information about these newspapers, please refer to the Southern Maryland Studies Center's *Southern Maryland Newspapers on Microfilm Guide*.
