

Genealogy Resource Guide By County

In the

Southern Maryland Studies Center

The College of Southern Maryland established the Southern Maryland Studies Center (SMSC) in 1976 in order to provide a central location for research on the historically important region of Southern Maryland. SMSC is located at the La Plata campus in the Library, room LR210.

This resource guide provides information on a variety of materials available to anyone interested in genealogical research in Southern Maryland. This is not a comprehensive list of materials, but rather a guide to materials available. Customers are encouraged to consult with SMSC staff about additional resources not listed. A list of web resources is also provided.

The books, microfilm and collections listed in this guide can be found at the SMSC:
